Dear Mr. Fox:

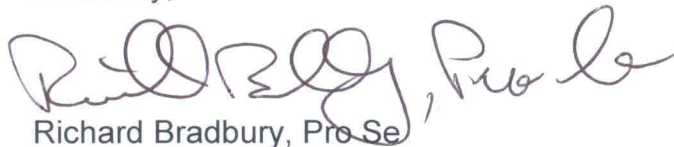

Since we are now in the abatement period of the case until February 2010 as ordered by Judge Stoddard on September 01, 2009, I would like to suggest we attempt to mediate the case during this waiting period.

While I don't think we will be able to come to any agreement, I am open to listening to your side of the story as I am sure you would like to hear what I have to say as well.

I have a few mediators in mind and I am sure you know of some you might feel comfortable with as well.

Feel free at anytime to contact me as I very much look forward to working with you towards a resolution of this case,

Sincerely,

Richard Bradbury, Pro Se
